ABOUT THE RAF MUSEUM

The Royal Air Force Museum is a national museum, a Government non-departmental public body (NDPB) and a registered charity, with two sister sites at London and Cosford. RAF Museum Enterprises Ltd is the trading arm of the RAF Museum with all profits gift-aided to the Museum to support its charitable activities. Our purpose is to share the story of the Royal Air Force - past, present and future, using the stories of its people and our collections, to engage, entertain, inspire and encourage learning. Our overall vision is to inspire everyone with the RAF story – the people who shape it and its place in our lives.

The shared values that guide our planning and behaviour are:

- **INtegrity:** we are open, transparent and ethical
- **Sharing:** we work as a team to ensure our collections and expertise are accessible to all
- **Passion:** we care deeply about sharing our collections and their stories
- **Innovation:** we tell our stories and develop our business with creativity and imagination
- **Relevance:** we ensure our legacy by linking our histories with today and tomorrow
- **Excellence:** we are professional and strive to ensure excellence in all that we do

As an organisation, we aspire to be entrepreneurial, agile and sustainable in our approach, and have agreed five key strategic priorities which will underpin all that we do for the current strategic planning period to 2030:

- Inspiring innovative engagement, debate and reflection
- Connecting with communities and partners
- Inspiring our people within a dynamic, diverse and collaborative culture
- Fit for the future with brilliant basics
- Embedding an entrepreneurial, agile and sustainable approach

Underpinning everything that we do, the Museum has three overarching commitments that inform our insight, business planning and strategy development, these are our:

- **Equity, Diversity and Inclusion Commitment** – we believe that everyone has the right to live without fear or prejudice regardless of race, age, gender, disability, sexual orientation, social class, religion and belief. We aim to embed a supportive and open culture which is inclusive, positive and fair to all, develop flexible opportunities to encourage engagement with the Museum onsite, offsite and online and celebrate differences.
- **Sustainability Commitment** - we are in a climate emergency, and we are committed to addressing this crisis through our operation and with our audiences. We will operate in an environmentally sustainable way, applying the principles of sustainable development for the benefit of current and future generations, both locally and globally.
- **Health & Wellbeing Commitment** – we are committed to creating an environment where health and wellbeing are actively promoted, where people feel engaged and valued for their contribution. We aim to create a health promoting workplace where people can be themselves, feel their best and perform at their best, so we can deliver an exceptional experience for our visitors.

As a member of the RAF Museum team, you will play an important role in delivering our purpose and achieving our vision, ensuring that the Royal Air Force's story continues to enrich and inspire current and future generations.
