

Tours Accessibility

If you are booking an additional Cockpit experience, please ensure you have read the following access details:

- You must be physically fit to climb a small number of steps and lift your legs and full body weight into the cockpit
- Please wear trousers or shorts. Skirts and dresses may prevent or restrict access
- Please wear flat shoes with a good grip on them. Please note we cannot allow the public access without appropriate footwear.
- You are more than welcome to take pictures once inside the cockpit – please come with a camera that can be zipped into a pocket or a camera with a strap
- Spitfire Cockpits are small – please see measurements below for your information.
- If the museum feels that it is not safe or possible for you to access the Spitfire Mk XVI cockpit then we reserve the right to refuse access. Please refer to the terms and conditions displayed at the Experience before purchasing your ticket
