Our Spaces

CONFERENCE ROOM

The Conference Room is a purpose-built facility, fully equipped with Audio Visual equipment and can provide flexible room set ups and layouts.

Refreshments can also be served in the Visitor Centre which is a stunning part glass building inspired by the shape of a bi-plane complete with views of the RAF Cosford airfield.

Facilities include:

- HD Data Projector, screen and PA System
- Lectern and Lapel Microphones

To minimise waste and to support our sustainability objectives pens and paper are only available upon request.

NATIONAL COLD WAR EXHIBITION - LECTURE THEATRE

Custom-built lecture theatre with tiered seating for up to 208 people, with fold down writing tables and all of the equipment you would expect in a modern meeting room. This space offers the unique experience of refreshments served under the Alvo Vulcan Bomber.

Facilities include:

- HD Data Projector, screen and PA System
- Lectern and Lapel Microphones

Our Story

The RAF Museum is the National Museum of the RAF. Our purpose is to share the story of the Royal Air Force - past, present, and future - using the stories of its people and the Museum's collections to engage and inspire.

As an independent charity, we rely on support and donations to keep these stories alive, it is our duty to share and honour the RAF story through our collections and programming.

If you choose The RAF Museum to host your event, your support will enable the Museum to continue our work across all of our key programmes.

In Access and Learning to develop programmes, online resources and workshops ensuring that we continue to engage younger generations and share the RAF story, supporting Conservation helps us to continue to grow as a centre for heritage and conservation, not only to meet the needs of our collection, but to broaden our reach nationally and internationally.

By supporting the Museum, you allow us to safeguard and share our unique collection, and story, with the nation. Support aids in producing new, relevant exhibitions that respond to current affairs, as well as preserving the incredible stories of our past

Sustainability

As part of the UK's largest food services company committed to delivering social value, our size and reach empowers us to have game changing influence on our national food system. As market leaders, we will drive this change and work with our partners to create a blueprint for others to follow.

- The RAF Museum and Restaurant Associates are committed to reaching climate net zero greenhouse gas emissions by 2030
- We are committed to reducing food waste by menu innovation and sustainable food practices.
- We encourage seasonal menus to reduce our carbon footprint
- We aim to source all our food from suppliers which support animal welfare and sustainable practices
- We regularly use 'wonky' fruit and vegetables in our menus to prevent them going to landfill
- Our 'life' water supports our charity project to supply clean water within developing countries
- To minimise waste and to support our sustainability objectives pens and paper are only available upon request

Allergen Information

Do you have a food allergy or intolerance? We provide allergen information on the 14 major allergens.

Please speak with your Event Manager and details of allergens in any of our dishes can be provided for your consideration. At your event there will be an Allergen Folder located at all buffet stations on your event catering floor to make delegates aware of all allergens contained in your chosen menu and help them make an informed decision.

Please note, as with every catering establishment, there is always a potential for cross-contamination to occur. While we endeavour to prevent this as far as possible, the nature of an allergen means we cannot fully guarantee that cross-contamination may not have occurred.

We encourage our customers with food allergies and intolerances to let our staff know so we can better cater for them. We are happy to provide further detail on ingredients and how they were handled to allow you make an informed decision as to whether or not the food is suitable for you.

If you have any concerns, please speak to a member of staff.

Cereals containing gluten	Eggs	Peanuts	Molluscs
Nuts	Mustard	Soya beans	Sulphur dioxide & sulphites
Crustaceans	Fish	Lupin	
Celery	Sesame seeds	Milk
