<b>Brief or Physical Description</b>	See History.	
<b>Condition Category</b>	02 - Good/Standard Condition Grading	
<b>Object No</b>	83/I/281	
<b>Title or Object Name</b>	Airspeed, Mk. IU/Switch/Aircraft Instrument/Instruments/Specific Names and References	
<b>Classification</b>	AIRCRAFT INSTRUMENT/INSTRUMENTS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Cylindrical black bakelite body with a square bezel having four mounting holes and a clear glass face showing internal mechanisms. Two pipe fittings and a multi-pin plug in the rear.	
<b>Condition Category</b>	02 - Good/Standard Condition Grading 01 - Excellent/Standard Condition Grading	
<b>Object No</b>	X005-9967	
<b>Title or Object Name</b>	RAF, Torque, Type B/Switch/Aircraft Instrument/Instruments/Specific Names and References	
<b>Classification</b>	AIRCRAFT INSTRUMENT/INSTRUMENTS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Black painted metal body with electrical connections on the outside and a clear face showing internal mechanism.	
<b>Condition Category</b>	02 - Good/Standard Condition Grading 02 - Good/Standard Condition Grading	
<b>Object No</b>	65/M/210	
<b>Title or Object Name</b>	Airspeed Oxford/RAF/Recognition Model/Training Aid/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Twin-engine radio and bombing monoplane painted green, brown camouflage with grey windows and RAF roundels on wings and fuselage. Wing roots cracked and missing propellers. Cased.	
<b>Condition Category</b>	03 - Fair/Standard Condition Grading Fair with slight deterioration	
<b>Object No</b>	65/M/191	
<b>Title or Object Name</b>	Amiot 350-354/RAF/Recognition Model/Training Aid/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Twin engine bomber aircraft with circular plastic discs as propellers, painted green and brown with white windows. Damaged and cased.	
<b>Condition Category</b>	02 - Good/Standard Condition Grading 03 - Fair/Standard Condition Grading	

## Communications, Training & Support Equipment

<b>Object No</b>	65/M/193	
<b>Title or Object Name</b>	Armstrong Whitworth Albemarle (Mark unknown)/Aircraft/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Twin-engine monoplane transport aircraft with circular plastic discs for propellers, painted green and brown camouflage with pale blue windows and RAF roundels on wings and fuselage. Wing roots cracked and cased.	
<b>Condition Category</b>	04 - Poor/Standard Condition Grading 02 - Good/Standard Condition Grading Fair with slight deterioration	
<b>Object No</b>	78/M/1154	
<b>Title or Object Name</b>	Armstrong Whitworth Whitley/Aircraft/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Undercarriage and propellers damaged.	
<b>Condition Category</b>	04 - Poor/Standard Condition Grading	
<b>Object No</b>	65/M/209	
<b>Title or Object Name</b>	Avro Manchester/RAF/Recognition Model/Training Aid/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Twin-engine heavy bomber painted in green, brown and matt black camouflage with RAF roundels on wings and fuselage and marked KMS. Cased.	
<b>Condition Category</b>	01 - Excellent/Standard Condition Grading 01 - Excellent/Standard Condition Grading	
<b>Object No</b>	84/M/1028	
<b>Title or Object Name</b>	Blackburn Skua/Aircraft/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Wings and main wheel detached.	
<b>Object No</b>	65/M/202	
<b>Title or Object Name</b>	Boulton Paul Defiant/Aircraft/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Single engine interceptor monoplane with mid turret and a circular plastic disc as propeller, painted green and brown camouflage with RAF roundels on wings and fuselage. Minor cracking at wings roots and cased.	
<b>Condition Category</b>	02 - Good/Standard Condition Grading 04 - Poor/Standard Condition Grading Fair with slight deterioration	
<b>Object No</b>	1992/0112/M	
<b>Title or Object Name</b>	Boulton Paul Defiant/Aircraft/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Airfix kit-inaccurate nose profile.	
<b>Object No</b>	65/M/185	
<b>Title or Object Name</b>	Breda 65/RAF/Recognition Model/Training Aid/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Crude model of single-engine, low-wing monoplane fighter with a circular plastic disc for propeller and painted two tone green camouflage with roundels on wings and fuselage. Cracked nose and tail root and cased.	
<b>Condition Category</b>	03 - Fair/Standard Condition Grading 04 - Poor/Standard Condition Grading Fair with slight deterioration	

## Communications, Training & Support Equipment

<b>Object No</b>	1993/0608/M	
<b>Title or Object Name</b>	Brewster Buffalo/Aircraft/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Single seat fighter aircraft painted in camouflage with RAF markings. One propeller blade broken off.	
<b>Condition Category</b>	04 - Poor/Standard Condition Grading Fair with slight damage	
<b>Object No</b>	80/M/1114	
<b>Title or Object Name</b>	Bristol Blenheim 1/Aircraft/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Damaged-both props detached.	
<b>Condition Category</b>	03 - Fair/Standard Condition Grading	
<b>Object No</b>	65/M/848	
<b>Title or Object Name</b>	Bristol Blenheim Mk. IV/Aircraft/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Twin engined bomber with mid upper turret and clear nose section. Painted in standard RAF colours of dark earth/dark green over sky and mounted to a shaped wooden base.	
<b>Condition Category</b>	01 - Excellent/Standard Condition Grading 01 - Excellent/Standard Condition Grading	
<b>Object No</b>	65/M/197	
<b>Title or Object Name</b>	Bristol Blenheim/RAF/Recognition Model/Training Aid/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Twin-engine monoplane light bomber with mid upper turret and circular plastic discs for propellers, painted green and brown camouflage with grey blue windows and RAF roundels on wings and fuselage. Wing roots cracked and cased.	
<b>Condition Category</b>	04 - Poor/Standard Condition Grading 03 - Fair/Standard Condition Grading Fair with slight deterioration	
<b>Object No</b>	65/M/200	
<b>Title or Object Name</b>	Bristol Bombay/RAF/Recognition Model/Training Aid/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Twin engine troop transport medium bomber painted green and brown camouflage with RAF roundels on wings and fuselage and marked SHC. Cased.	
<b>Condition Category</b>	02 - Good/Standard Condition Grading 01 - Excellent/Standard Condition Grading	
<b>Object No</b>	68/M/572	
<b>Title or Object Name</b>	British Aircraft Corporation Jet Provost/Aircraft/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Small chrome plated jet trainer with RAF roundels on wings and fuselage. Mounted to a stand and roundel transfers damaged.	
<b>Condition Category</b>	04 - Poor/Standard Condition Grading Fair with slight deterioration	
<b>Object No</b>	65/M/192	
<b>Title or Object Name</b>	Curtiss Mohawk/RAF/Recognition Model/Training Aid/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Single engine monoplane fighter with a circular plastic disc as propeller, painted green and brown camouflage with RAF roundels on wings and fuselage. Wing roots cracked and cased.	
<b>Condition Category</b>	03 - Fair/Standard Condition Grading 04 - Poor/Standard Condition Grading Fair with slight deterioration	

## Communications, Training & Support Equipment

<b>Object No</b>	65/M/854	
<b>Title or Object Name</b>	De Havilland D.H.2/Aircraft/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Single-seat pusher biplane fighter aircraft with a light brown painted cockpit and sand coloured wings with RAF roundels. Undercarriage broken off.	
<b>Condition Category</b>	03 - Fair/Standard Condition Grading Fair with slight damage	
<b>Object No</b>	1991/0593/M	
<b>Title or Object Name</b>	De Havilland D.H.4/Aircraft/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Crudely built and painted black and silver two seat biplane with pilot. Marked with the letter A at the front.	
<b>Condition Category</b>	04 - Poor/Standard Condition Grading Poor (Deteriorated)	
<b>Object No</b>	82/M/1015	
<b>Title or Object Name</b>	De Havilland D.H.60 Gipsy Moth/Aircraft/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	1/72 scale plastic kit of two-seat biplane; green fuselage and silver wings; civil registration G-AAAH on wings and fuselage. Rudder detached.	
<b>Condition Category</b>	04 - Poor/Standard Condition Grading Fair with slight damage	
<b>Object No</b>	74/M/1179	
<b>Title or Object Name</b>	De Havilland D.H.9/Presentation/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Single-engined biplane bomber painted in green with RAF roundels on wings and fuselage. Rear gunner figure with machine gun and cased.	
<b>Condition Category</b>	01 - Excellent/Standard Condition Grading 01 - Excellent/Standard Condition Grading	
<b>Object No</b>	76/M/40	
<b>Title or Object Name</b>	De Havilland D.H.80 Puss Moth/Aircraft/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	De Havilland D.H.80 Puss Moth model in the colours of the King's Flight.	
<b>Condition Category</b>	02 - Good/Standard Condition Grading	
<b>Object No</b>	76/M/41	
<b>Title or Object Name</b>	De Havilland D.H.80 Puss Moth/Aircraft/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	De Havilland D.H.80 Puss Moth model in the colours of the King's Flight.	
<b>Condition Category</b>	03 - Fair/Standard Condition Grading	
<b>Object No</b>	83/M/378	
<b>Title or Object Name</b>	English Electric Canberra/Aircraft/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	First-generation, jet-powered medium bomber mounted to a stand marked ENGLISH ELECTRIC CANBERRA JANUARY 1951.	
<b>Condition Category</b>	01 - Excellent/Standard Condition Grading 01 - Excellent/Standard Condition Grading	

## Communications, Training & Support Equipment

<b>Object No</b>	1992/0111/M	
<b>Title or Object Name</b>	English Electric Canberra/Aircraft/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	1/72nd scale B.2 Canberra. Cream coloured overall with RAF roundels and WJ814 serial on tail with fluorescent training colours.	
<b>Condition Category</b>	01 - Excellent/Standard Condition Grading 01 - Excellent/Standard Condition Grading	
<b>Object No</b>	1992/0120/M	
<b>Title or Object Name</b>	English Electric Canberra/Aircraft/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Twin engined first-generation, jet-powered medium bomber painted in camouflage with 85 Squadron markings.	
<b>Condition Category</b>	02 - Good/Standard Condition Grading 02 - Good/Standard Condition Grading	
<b>Object No</b>	65/M/198	
<b>Title or Object Name</b>	Fairey Battle/RAF/Recognition Model/Training Aid/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Single-engine light bomber with plastic disc for propeller painted green and brown camouflage with RAF roundels on wings and fuselage. Wing roots cracking and cased.	
<b>Condition Category</b>	03 - Fair/Standard Condition Grading Fair with slight deterioration	
<b>Object No</b>	76/M/785	
<b>Title or Object Name</b>	Fairey F.17 Campania/Aircraft/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	1/24th scale model of a patrol and reconnaissance single-engine, two-seat biplane with twin main floats. Painted matt green with RAF roundels on wings and fuselage and marked N1005. Cased.	
<b>Condition Category</b>	01 - Excellent/Standard Condition Grading 01 - Excellent/Standard Condition Grading	
<b>Object No</b>	77/M/1505	
<b>Title or Object Name</b>	Fairey Flycatcher/Aircraft/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Crude model.	
<b>Condition Category</b>	02 - Good/Standard Condition Grading	
<b>Object No</b>	76/M/788	
<b>Title or Object Name</b>	Fairey Fox II/Aircraft/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Light bomber and fighter biplane with machine gun, painted grey and green with roundels on the wings. Cased.	
<b>Condition Category</b>	01 - Excellent/Standard Condition Grading 03 - Fair/Standard Condition Grading 01 - Excellent/Standard Condition Grading	
<b>Object No</b>	76/M/791	
<b>Title or Object Name</b>	Fairey Hamble Baby/Aircraft/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	1/24th scale single-seat naval patrol floatplane painted green with RAF roundels on wings and fuselage.	
<b>Condition Category</b>	01 - Excellent/Standard Condition Grading 01 - Excellent/Standard Condition Grading	

## Communications, Training & Support Equipment

<b>Object No</b>	76/M/786	
<b>Title or Object Name</b>	Fairey N.9/Aircraft/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	1/24th scale model of a single-engined floatplane painted green with RAF roundels on wings and fuselage. Wing roots cracked and cased.	
<b>Condition Category</b>	03 - Fair/Standard Condition Grading Poor (Damaged)	
<b>Object No</b>	X003-2276	
<b>Title or Object Name</b>	Fokker Dr I/Aircraft/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Highly detailed one 1/8th scale model of Fokker Dr I Triplane single seat fighter aircraft. Left un-covered of fabric to show constructional details.	
<b>Condition Category</b>	05 - Unacceptable/Standard Condition Grading Poor (Damaged) 01 - Excellent/Standard Condition Grading	
<b>Object No</b>	1988/0919/M	
<b>Title or Object Name</b>	Gloster Meteor/Aircraft/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	1/24 scale model of Gloster Meteor jet fighter. In wooden carrying case.	
<b>Condition Category</b>	02 - Good/Standard Condition Grading 03 - Fair/Standard Condition Grading	
<b>Object No</b>	1992/0806/M	
<b>Title or Object Name</b>	Grumman X-29A/Aircraft/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Scale plastic model, on display plinth. Red/white/blue colour scheme.	
<b>Condition Category</b>	02 - Good/Standard Condition Grading 02 - Good/Standard Condition Grading	
<b>Object No</b>	65/M/216	
<b>Title or Object Name</b>	Handley Page Hampden prototype/Aircraft/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Twin engine medium bomber aircraft painted in silver with RAF roundels on fuselage and wings.	
<b>Condition Category</b>	01 - Excellent/Standard Condition Grading 02 - Good/Standard Condition Grading	
<b>Object No</b>	65/M/206	
<b>Title or Object Name</b>	Handley Page Hampden/Aircraft/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Twin-engine medium bomber painted green, brown and black camouflage with grey windows and RAF roundels on wings and fuselage. Wing roots cracked.	
<b>Condition Category</b>	03 - Fair/Standard Condition Grading Poor (Deteriorated)	
<b>Object No</b>	76/M/876	
<b>Title or Object Name</b>	Handley Page Harrow/Aircraft/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	1/48th scale model of a heavy bomber painted green and brown with RAF roundels on wings and fuselage. Cased.	
<b>Condition Category</b>	02 - Good/Standard Condition Grading 02 - Good/Standard Condition Grading	

## Communications, Training & Support Equipment

<b>Object No</b>	1987/1934/M	
<b>Title or Object Name</b>	Handley Page Victor/Aircraft/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	1/72 scale. Large white painted model with cracks around tail and wing roots.	
<b>Condition Category</b>	03 - Fair/Standard Condition Grading Fair with slight damage	
<b>Object No</b>	66/M/138	
<b>Title or Object Name</b>	Hawker F.14/32 Intermediate Fury/Aircraft/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Single-engined fighter biplane painted silver with RAF roundels on fuselage and wings.	
<b>Condition Category</b>	02 - Good/Standard Condition Grading 02 - Good/Standard Condition Grading	
<b>Object No</b>	65/M/207	
<b>Title or Object Name</b>	Hawker Henley (Mark unknown)/Aircraft/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Single engine two-seat target tug painted green and brown camouflage with grey windows and RAF roundels on wings and fuselage. Wing roots cracking, missing propeller and cased.	
<b>Condition Category</b>	02 - Good/Standard Condition Grading 04 - Poor/Standard Condition Grading Fair with slight deterioration	
<b>Object No</b>	85/M/1586	
<b>Title or Object Name</b>	Hawker Hurricane Mk. I/Model Aircraft, Metal, Display (See Scope Note)/Commemorative Items/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Plastic model Hurricane Mk I. Painted in green/brown camouflage. With Sqd Ldr pennant on the port fuselage under the cockpit. Serial number V7467, which served with 242 and 111 Squadrons, then 59 OTU. It crashed when the control was lost in cloud one mile north of Glen Capel, Dumfries 1 September 1941. With RAF Blue/red roundels on upper wing surfaces and RAF Blue, white, blue and yellow roundels on either side of the fuselage. Code letters LE-D on either side of the fuselage. Red, white and blue flag on the tail.	
<b>Condition Category</b>	01 - Excellent/Standard Condition Grading 01 - Excellent/Standard Condition Grading	
<b>Object No</b>	85/M/1587	
<b>Title or Object Name</b>	Hawker Hurricane Mk. I/Model Aircraft, Metal, Display (See Scope Note)/Commemorative Items/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Hawker Hurricane Mk I model. Serial number P3576, which served with 234, and 249 Squadrons. It was shot down near Southampton on 16 August 1940. Plastic fighter aircraft, with green/brown camouflage. RAF Red and blue roundels on upper wing surfaces, red, white, blue and yellow roundel on both sides of fuselage. Red white and blue flag on tail	
<b>Condition Category</b>	01 - Excellent/Standard Condition Grading 01 - Excellent/Standard Condition Grading	
<b>Object No</b>	84/M/983	
<b>Title or Object Name</b>	Hawker Hurricane/Aircraft/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Single engine monoplane fighter painted in green and brown camouflage with RAF roundels on wings and fuselage and marked Z7778 WZ. Cased. Minor paint damage.	
<b>Condition Category</b>	03 - Fair/Standard Condition Grading Fair with slight deterioration	

## Communications, Training & Support Equipment

<b>Object No</b>	1989/0018/M	
<b>Title or Object Name</b>	Hawker Hurricane/Aircraft/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	1/72 scale. Single engined monoplane painted in disruptive pattern camouflage and RAF markings.	
<b>Condition Category</b>	01 - Excellent/Standard Condition Grading 02 - Good/Standard Condition Grading	
<b>Object No</b>	81/M/455	
<b>Title or Object Name</b>	Hawker Siddeley Harrier GR.1/Aircraft/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Several parts now detached.	
<b>Object No</b>	1993/0607/M	
<b>Title or Object Name</b>	Hawker Tempest Mk. II/Aircraft/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Single seat fighter aircraft painted in grey/green camouflage with RAF markings. Missing propeller.	
<b>Condition Category</b>	04 - Poor/Standard Condition Grading Fair with slight damage	
<b>Object No</b>	65/M/183	
<b>Title or Object Name</b>	Heinkel He 59/RAF/Recognition Model/Training Aid/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Twin-engined German biplane floatplane with circular discs for propellers and painted sky blue with Balkenkreuz cross on wings, fuselage and tail. Cased.	
<b>Condition Category</b>	02 - Good/Standard Condition Grading 01 - Excellent/Standard Condition Grading	
<b>Object No</b>	65/M/178	
<b>Title or Object Name</b>	Heinkel He 111/RAF/Recognition Model/Training Aid/(By Type)/Models/Specific Names and References	
<b>Classification</b>	AIRCRAFT/MODELS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Twin engine heavy bomber monoplane with circular plastic discs for propellers and painted matt green with Balkenkreuz cross on wings, fuselage and tail. Wing roots cracked and cased.	
<b>Condition Category</b>	03 - Fair/Standard Condition Grading 03 - Fair/Standard Condition Grading Fair with slight deterioration

<b>Title or Object Name</b>	0-160 Gallon, Simmonds, Float Arm Type/Gauge, Fuel Contents/Aircraft Instrument/Instruments/Specific Names and References	
<b>Classification</b>	GAUGE/AIRCRAFT INSTRUMENT/INSTRUMENTS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Small, round faced, fuel gauge. Cylindrical body with square mounting, marked with the stores reference number, with four holes at each corner for mounting on to flying panel. The rear of the gauge has three large screws fitted centrally and three smaller screws fitted equidistantly round the edge. The face is marked centrally with the word FUEL in white and the word GALLON in green just below. The top half of the gauge is marked from 0-160 in units of 40 in white. Every 10 gallon mark is shown alternately in white and green. The amount of fuel left is indicated by a small white arm attached to the centre of the dial.	
<b>Condition Category</b>	02 - Good/Standard Condition Grading Fair with slight damage

<b>Classification</b>	TEST EQUIPMENT/TOOLS, TEST PIECES AND TEST EQUIPMENT/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Small cylindrical black painted body with a black painted face with needle reading A 120L in red/120E in white. Mounting bracket and four terminals in the rear.	
<b>Condition Category</b>	01 - Excellent/Standard Condition Grading 02 - Good/Standard Condition Grading	
<b>Object No</b>	76/I/1517	
<b>Title or Object Name</b>	Analyser, Water & Gas/Gas Purity/Detection Equipment/Tools, Test Pieces and Test Equipment/Specific Names and References	
<b>Classification</b>	TEST EQUIPMENT/TOOLS, TEST PIECES AND TEST EQUIPMENT/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	White painted wooden frame housing various glass bottles and valves with rubber hoses. Damaged.	
<b>Condition Category</b>	03 - Fair/Standard Condition Grading	
<b>Object No</b>	80/T/967	
<b>Title or Object Name</b>	Avery Weighing Machine, Type A.854, 30,000lb/Test Piece, Apprentice/Test Piece (general)/Tools, Test Pieces and Test Equipment/Specific Names and References	
<b>Classification</b>	TEST EQUIPMENT/TOOLS, TEST PIECES AND TEST EQUIPMENT/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Large two-piece platform scales weighing 30,000lb with a protective wooden hood over scale. Painted overall yellow with NOR 16/1 in black.	
<b>Condition Category</b>	03 - Fair/Standard Condition Grading	
<b>Object No</b>	80/T/707	
<b>Title or Object Name</b>	Calibrator, Pressure Gauge/Test Equipment/Tools, Test Pieces and Test Equipment/Specific Names and References	
<b>Classification</b>	TEST EQUIPMENT/TOOLS, TEST PIECES AND TEST EQUIPMENT/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Cast iron and brass tool comprising, a copper pipe and fitting connected to a one way valve with a manually turned adjuster at left. Complete with a set of circular steel weights.	
<b>Condition Category</b>	01 - Excellent/Standard Condition Grading	
<b>Object No</b>	76/T/1576	
<b>Title or Object Name</b>	Dummy Fin Unit, Firestreak/Redtop/Test Equipment/Tools, Test Pieces and Test Equipment/Specific Names and References	
<b>Classification</b>	TEST EQUIPMENT/TOOLS, TEST PIECES AND TEST EQUIPMENT/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Solid heavy machined metal unit for, Firestreak/Redtop missile with cast aluminium stowage case.	
<b>Condition Category</b>	01 - Excellent/Standard Condition Grading	
<b>Object No</b>	76/T/1577	
<b>Title or Object Name</b>	Dummy Fin Unit, Firestreak/Redtop/Test Equipment/Tools, Test Pieces and Test Equipment/Specific Names and References	
<b>Classification</b>	TEST EQUIPMENT/TOOLS, TEST PIECES AND TEST EQUIPMENT/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Solid heavy machined metal unit for, Firestreak/Redtop missile with cast aluminium stowage case.	
<b>Condition Category</b>	01 - Excellent/Standard Condition Grading	
<b>Object No</b>	83/I/262	
<b>Title or Object Name</b>	Eddy Current Flaw Detector Mk.2/Test Equipment/Tools, Test Pieces and Test Equipment/Specific Names and References	
<b>Classification</b>	TEST EQUIPMENT/TOOLS, TEST PIECES AND TEST EQUIPMENT/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Grey hammerite painted metal case with a "microamperes" gauge reading 0-100 fitted in the centre. A large black plastic switch bottom left, with a smaller one just below the gauge. Multi-pin electrical connector from the base with +/- terminal red/black wires. Complete with probes.	
<b>Condition Category</b>	01 - Excellent/Standard Condition Grading 01 - Excellent/Standard Condition Grading	

## Communications, Training & Support Equipment

<b>Object No</b>	1991/0471/1	
<b>Title or Object Name</b>	Electrical, Use Unknown/Test Equipment/Tools, Test Pieces and Test Equipment/Specific Names and References	
<b>Classification</b>	TEST EQUIPMENT/TOOLS, TEST PIECES AND TEST EQUIPMENT/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Steel case with a large centre dial (reading 0-100 length) with various other switches/ plugs all fitted into a plastic panel. Handles on top and sides.	
<b>Condition Category</b>	03 - Fair/Standard Condition Grading Fair with slight damage	
<b>Object No</b>	1987/0521/1	
<b>Title or Object Name</b>	Manometer/Test Equipment/Tools, Test Pieces and Test Equipment/Specific Names and References	
<b>Classification</b>	TEST EQUIPMENT/TOOLS, TEST PIECES AND TEST EQUIPMENT/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Large white faced (German) dial with a centre needle reading 0-20 kg. A threaded post at the bottom.	
<b>Condition Category</b>	03 - Fair/Standard Condition Grading 02 - Good/Standard Condition Grading	
<b>Object No</b>	83/T/317	
<b>Title or Object Name</b>	Multimeter, Portable/Electrician's Tool/(By User)/Specialist Tool/Tools, Test Pieces and Test Equipment/Specific Names and References	
<b>Classification</b>	TEST EQUIPMENT/TOOLS, TEST PIECES AND TEST EQUIPMENT/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Portable rectangular wooden case fitted with a triple reading milometer.	
<b>Condition Category</b>	01 - Excellent/Standard Condition Grading	
<b>Object No</b>	83/T/283	
<b>Title or Object Name</b>	Ohmeter, Civilian/Electrician's Tool/(By User)/Specialist Tool/Tools, Test Pieces and Test Equipment/Specific Names and References	
<b>Classification</b>	TEST EQUIPMENT/TOOLS, TEST PIECES AND TEST EQUIPMENT/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Portable wooden box with window showing a dial gauge OHMS 0-0.1. Two twin pin electrical connectors either side.	
<b>Condition Category</b>	02 - Good/Standard Condition Grading	
<b>Object No</b>	83/T/332	
<b>Title or Object Name</b>	Recorder, Electrical, Quick Response, Type RD15/JW/Test Equipment/Tools, Test Pieces and Test Equipment/Specific Names and References	
<b>Classification</b>	TEST EQUIPMENT/TOOLS, TEST PIECES AND TEST EQUIPMENT/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Large portable rectangular wooden box fitted with a quick response recorder, comprising two electrically driven motors with needles facing a reel of graph paper. HT and CHART toggle switches one side with a multi pin plug.	
<b>Condition Category</b>	01 - Excellent/Standard Condition Grading	
<b>Object No</b>	83/T/264	
<b>Title or Object Name</b>	Test Set, Electrical Current/Test Equipment/Tools, Test Pieces and Test Equipment/Specific Names and References	
<b>Classification</b>	TEST EQUIPMENT/TOOLS, TEST PIECES AND TEST EQUIPMENT/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Portable square black bakelite case fitted with a current test meter, comprising a small gauge, six plastic knobs and two tumbler switches on the face. Surrounded by +/- leads and 6 terminals.	
<b>Condition Category</b>	01 - Excellent/Standard Condition Grading	
<b>Object No</b>	83/T/263	
<b>Title or Object Name</b>	Test Set, Thermometer, Exhaust Gas Thermometer/Test Equipment/Tools, Test Pieces and Test Equipment/Specific Names and References	
<b>Classification</b>	TEST EQUIPMENT/TOOLS, TEST PIECES AND TEST EQUIPMENT/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Portable, purpose built wooden box fitted out with a brown bakelite mill volt meter measuring 0-100 Mv with battery above. Complete with instruction manual and +/- leads.	
<b>Condition Category</b>	01 - Excellent/Standard Condition Grading	

Communications, Training & Support Equipment

<b>Object No</b>	78/E/1025	
<b>Title or Object Name</b>	Test Unit, Engine/Propeller Shaft Assembly, Villiers/Test Equipment/Tools, Test Pieces and Test Equipment/Specific Names and References	
<b>Classification</b>	TEST EQUIPMENT/TOOLS, TEST PIECES AND TEST EQUIPMENT/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Miniature two stroke petrol engine driving a thin shaft with an aircraft type propeller boss fitted. Fitted with an M.L. magneto, local made exhaust system and operating cables. Mounted into a frame with two cooling fins broken from the engine.	
<b>Condition Category</b>	03 - Fair/Standard Condition Grading	
<b>Object No</b>	76/R/1564	
<b>Title or Object Name</b>	Test Unit, Missile Systems, Firestreak/Redtop/Test Equipment/Tools, Test Pieces and Test Equipment/Specific Names and References	
<b>Classification</b>	TEST EQUIPMENT/TOOLS, TEST PIECES AND TEST EQUIPMENT/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Large grey painted cabinet fitted with five removable panels some having instruments and switches with a multi-pin socket across the top. Rubber gaskets are perished.	
<b>Condition Category</b>	02 - Good/Standard Condition Grading	
<b>Object No</b>	1990/0725/1	
<b>Title or Object Name</b>	Voltmeter, Civilian/Test Equipment/Tools, Test Pieces and Test Equipment/Specific Names and References	
<b>Classification</b>	TEST EQUIPMENT/TOOLS, TEST PIECES AND TEST EQUIPMENT/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Rectangular varnished wooden box with hinged lid and carrying handle fitted with a volt meter gauge one side.	
<b>Condition Category</b>	01 - Excellent/Standard Condition Grading 02 - Good/Standard Condition Grading	
<b>Object No</b>	1991/0203/1	
<b>Title or Object Name</b>	Voltmeter, Civilian/Test Equipment/Tools, Test Pieces and Test Equipment/Specific Names and References	
<b>Classification</b>	TEST EQUIPMENT/TOOLS, TEST PIECES AND TEST EQUIPMENT/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Small rectangular wooden case fitted with a volt meter (reading 0-100) with glass front. Three electrical terminals on top (marked 100,10 and C).	
<b>Condition Category</b>	02 - Good/Standard Condition Grading 02 - Good/Standard Condition Grading	
<b>Object No</b>	75/I/810	
<b>Title or Object Name</b>	Voltmeter, Electrostatic, Kelvin Bottomly & Baird Pattern/Test Equipment/Tools, Test Pieces and Test Equipment/Specific Names and References	
<b>Classification</b>	TEST EQUIPMENT/TOOLS, TEST PIECES AND TEST EQUIPMENT/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Housed in rectangular brass case painted black, with glass front and one side, rigidly fixed to wooden base with three levelling screws.	
<b>Condition Category</b>	04 - Poor/Standard Condition Grading Fair with slight deterioration	
<b>Object No</b>	75/I/811	
<b>Title or Object Name</b>	Voltmeter, Electrostatic, Kelvin Bottomly & Baird Pattern/Test Equipment/Tools, Test Pieces and Test Equipment/Specific Names and References	
<b>Classification</b>	TEST EQUIPMENT/TOOLS, TEST PIECES AND TEST EQUIPMENT/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Housed in rectangular brass case painted black, with glass front and one side, rigidly fixed to wooden base with 3 levelling screws.	
<b>Condition Category</b>	05 - Unacceptable/Standard Condition Grading Fair with slight deterioration

<b>Classification</b>	TRAINING AID/TRAINING AIDS AND SIMULATORS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Green painted wooden panel with unknown aircraft electrical wiring loom fixed to one side.	
<b>Condition Category</b>	03 - Fair/Standard Condition Grading	
<b>Object No</b>	73/I/1211	
<b>Title or Object Name</b>	Panel, Display, Junction Boxes/Ground Engineers Training Aid/(By Skill Taught)/Training Aids and Simulators/Specific Names and References	
<b>Classification</b>	TRAINING AID/TRAINING AIDS AND SIMULATORS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Grey painted wooden panel with three aircraft (5C) electrical junction boxes and wiring fixed to one side.	
<b>Condition Category</b>	02 - Good/Standard Condition Grading	
<b>Object No</b>	73/I/1210	
<b>Title or Object Name</b>	Panel, Display, Strip Wiring Components/Ground Engineers Training Aid/(By Skill Taught)/Training Aids and Simulators/Specific Names and References	
<b>Classification</b>	TRAINING AID/TRAINING AIDS AND SIMULATORS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Grey painted wooden panel with samples of strip wiring system components fixed to one side.	
<b>Condition Category</b>	02 - Good/Standard Condition Grading	

## Communications, Training & Support Equipment

<b>Object No</b>	85/I/191	
<b>Title or Object Name</b>	Pipe, Hydraulic, Union, Sectioned/Ground Engineers Training Aid/(By Skill Taught)/Training Aids and Simulators/Specific Names and References	
<b>Classification</b>	TRAINING AID/TRAINING AIDS AND SIMULATORS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	A hand sectioned hydraulic pipe union fitting with two sections of pipe.	
<b>Condition Category</b>	02 - Good/Standard Condition Grading 02 - Good/Standard Condition Grading	
<b>Object No</b>	76/T/1108	
<b>Title or Object Name</b>	Reid Pilot Aptitude Testing Machine/(By Name)/Training Aids and Simulators/Specific Names and References	
<b>Classification</b>	TRAINING AID/TRAINING AIDS AND SIMULATORS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	An electric motor driving a large drum that has a stylo picking up electrical contacts around the drum. A large wooden wheel fitted one side and a bakelite on/off switch. Other electrical component fitted on other sides including a three pin electrical plug connector. All mounted on a steel base and painted in black crackle overall.	
<b>Condition Category</b>	03 - Fair/Standard Condition Grading 02 - Good/Standard Condition Grading	
<b>Object No</b>	72/O/1175	
<b>Title or Object Name</b>	Series B/Swift Training Rifle/Weapons Training Aid/(By Skill Taught)/Training Aids and Simulators/Specific Names and References	
<b>Classification</b>	TRAINING AID/TRAINING AIDS AND SIMULATORS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Representative example of "P14 Lee Enfield No.3 rifle" with bolt action, safety catch, spring loaded butt plate and metal hood. Complete with original storage case, calibration frame and instructions on use. Front pins are bent and jammed in place.	
<b>Condition Category</b>	02 - Good/Standard Condition Grading 01 - Excellent/Standard Condition Grading	
<b>Object No</b>	1992/0316/O	
<b>Title or Object Name</b>	Target, Anti-Aircraft, Rocket Propelled/Weapons Training Aid/(By Skill Taught)/Training Aids and Simulators/Specific Names and References	
<b>Classification</b>	TRAINING AID/TRAINING AIDS AND SIMULATORS/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Six piece balsa wood model painted overall orange. Slight damage to one piece.	
<b>Condition Category</b>	03 - Fair/Standard Condition Grading	
<b>Object No</b>	1994/0790/C	
<b>Title or Object Name</b>	Advertisement Panel/Visual Signalling Equipment/Communications Equipment, Non-Radio/Specific Names and References	
<b>Classification</b>	VISUAL SIGNALLING EQUIPMENT/COMMUNICATIONS EQUIPMENT, NON-RADIO/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Large white enamelled steel sign with GUARANTEED SHELL from the PUMP over the shell emblem (in red enamel on yellow background). Small bullet hole to front left with 110 in black, right edge is rusting and badly damaged.	
<b>Condition Category</b>	04 - Poor/Standard Condition Grading 03 - Fair/Standard Condition Grading	
<b>Object No</b>	83/I/405	
<b>Title or Object Name</b>	Army, Hand, No. 4/Lamp, Signalling/Visual Signalling Equipment/Communications Equipment, Non-Radio/Specific Names and References	
<b>Classification</b>	VISUAL SIGNALLING EQUIPMENT/COMMUNICATIONS EQUIPMENT, NON-RADIO/AIRCRAFT & EXHIBITS/Classification	
<b>Brief or Physical Description</b>	Dark earth painted steel body fitted with a circular lamp, two sliding coloured discs (red and green) manually operated and two press buttons at the top. A hinged rear battery compartment and a small leather strap.	
<b>Condition Category</b>	02 - Good/Standard Condition Grading 02 - Good/Standard Condition Grading
